

YESTERDAY

Soprani

SOLISTA

Yesterday, all my troubles seemed so far away,
Now it looks as though they're here to stay,
Oh I believe in yesterday.

SOPRANI

Suddenly, half
used to be
There's a shadow hanging over me.
Oh yesterday came suddenly.

Why she
had to go?
I don't know she wouldn't say _____
I said
something wrong,
now I long for
yesterday,
yesterday,
yesterday.
