

HP

OfficeJet R65 / R45

Printer/Scanner/Copier

Printer, Scanner, Copier - Advanced professional versatility all in colour - no compromises

For the Small Business environment, or office in the home, you still need full office functionality. With the HP OfficeJet R65, you can have it right at your fingertips and in a unit which stands neatly by your desktop. With the HP OfficeJet R65 there are no compromises on print, copy or scanning quality, speed or working efficiency over the equivalent separate products.

Photo Quality Colour Printing

- Brilliant photo quality output with HP's PhotoREt II colour-layering technology
- Fast printing for increased efficiency

Colour Copying

- Colour copying of documents with the convenience of an automatic document feeder
- Advanced features like clone, poster, mirror, super-zoom, and 2-on-1

Colour Scanning

- State-of-the-art PrecisionScan improves accuracy, including OCR text recognition
- Easy scanning from within most software applications or from the Scan button

The compelling benefits of HP OfficeJet products

When space is at a premium, you don't want the clutter of multiple devices - printers, scanners, copiers or multiple cable connections in your business or home working environment. The HP OfficeJet R65 costs a lot less to buy than the equivalent separates, offers lower cost of ownership and there's only one set of supplies to order.

An HP OfficeJet R65 All-in-One is a hassle-free way of completing your work faster and more efficiently - saving you time in many different ways.

With the HP OfficeJet R65, you can have real document creation power and versatility at your fingertips. Ask your dealer for a demonstration.

- The ideal solution for your professional business document needs
- Fully integrated - saves space, saves time - costs less than separates
- Convenient, in-house versatility for business colour documents
- Less clutter in the office with one cable connection
- Easy to install, easy to use - whatever the task

*Also available: The HP OfficeJet R45
This product comes without ADF and max.
50 walk-up copy count. All other functions offer
the same benefits as the HP OfficeJet R65*

HP OfficeJet R65

Print, Scan, Copy - *All in Colour - All in One*

*Advanced professional versatility
all in colour - no compromises*

Reliable print quality and performance for professional documents

Razor-sharp text and fast, brilliant photo-quality colour printing for outstanding documents:

- Print at up to 11ppm (pages per minute) b/w and 8.5ppm in colour
- HP PhotoREt II for best results with colour photo printing
- Handles a great variety of media

The benefits of a desk-top colour copier with ADF

Full-featured digital colour copying to produce quick b/w and photo quality colour copies at the desktop. Eliminates trips to the copy centre. The convenient 30-page automatic document feeder gives you hands-free copying for larger documents.

- Produce fast hand-outs by using the two-page-on-one copy functionality
- Enlarge colour photos to A4 using HP PhotoREt II for best results
- Clone multiple business cards or passport photos
- Copy at up to 11ppm b/w and 8.5ppm in colour
- Up to 99 copies with a zoom range from 25% to 400%

High-end scanning to achieve professional results

The HP OfficeJet R65 offers superior photo quality colour scanning and HP's seamless software integration makes it quick and easy to complete scanning tasks.

- Scanning at up to 9600 dpi enhanced (600 x 2400 dpi optical); millions of colours
- HP PrecisionScan Software automatically recognises, separates, and enhances text, line art and photographs when combined in a single document
- 30-page automatic document feeder enables hand-free scanning of larger documents
- Built-in OCR software automatically converts text to editable text

Easy to install and easy to use

The OfficeJet R65 is designed to make life easy for you including quick and easy installation. There is only one power cord to connect and one single cable connecting to your PC - no mess and no clutter.

The software of the HP OfficeJet R65 integrates seamlessly with your PC's software, (e.g. Microsoft® Word® or PowerPoint®), making it easy and efficient to use all the product functions.

Small Business Network Solution

You can also use your HP OfficeJet R65 as a network printer, a network scanner and a walk-up copier by connecting the HP OfficeJet R65 via an HP JetDirect print server.

do more

Do More:

- *Use the functionality of having a colour copier at your desk*
- *Take advantage of digital colour copying (cloning, 2 on 1, posters, banners, etc.)*
- *Benefit from the scanning flexibility of HP PrecisionScan*
- *Share the product on your network (JetDirect)*

Low cost of ownership

The HP OfficeJet R65 offers you low cost of ownership and a safe investment:

One reliable, warranty-backed single machine costs less to own than several single function products. You need only one set of supplies for all your copying and printing needs, plus you have only one product to service.

HP SupportPack

This product warranty option offers three years warranty and includes an express exchange service.

*HP OfficeJet R65 only

1. HP PhotoREt II is HP's colour-layering print technology. Unlike dpi, which places blue dots next to yellow dots to create the illusion of green, HP's process mixes colours to create real green, purple and millions of other solid colours.

2. HP PrecisionScan is HP's state-of-the-art scan technology, which simultaneously scans and optimizes photos, text and line art. It even recognizes and retains columns.

3. Figures based on using the AC adapter that came with your HP OfficeJet (HP part number 0950 2880).
