

CAMMELLO

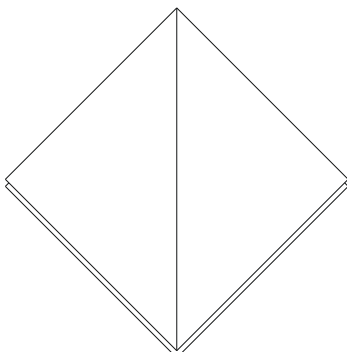

FASE 1: Si parte sempre da un foglio quadrato

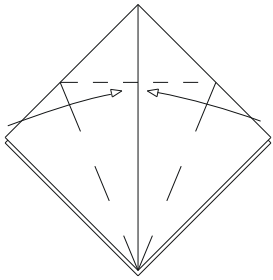

FASE 2: Piega lungo le mediane e le diagonali

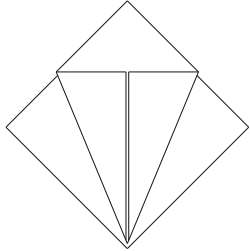

FASE 3: Piega verso il vertice in basso ed otterrai....

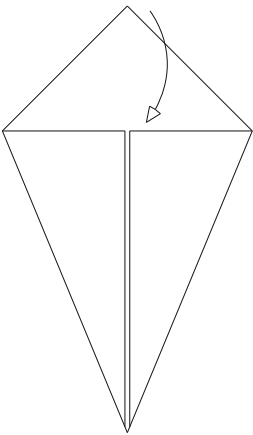

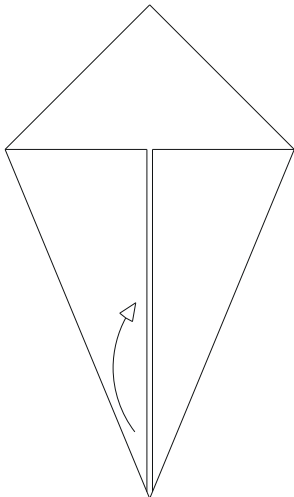

FASE 5: Piega ed otterrai....

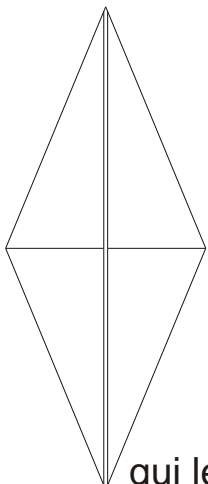

FASE 6: Ora fai lo stesso anche sul retro

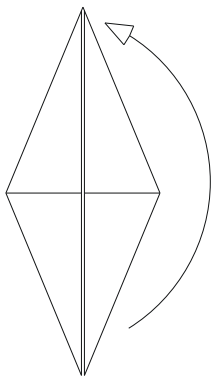

FASE 7: Piega e riapri in modo da rendere un pò più mobile la parte

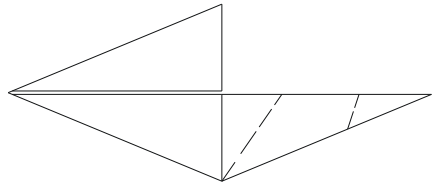

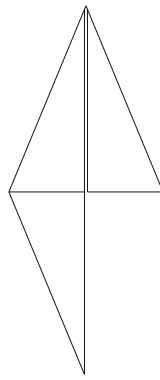

FASE 8: Prendi la parte interna, solleva la punta e rovescia le pieghe all'interno. Poi fai lo stesso anche sul retro e si arriverà a.....

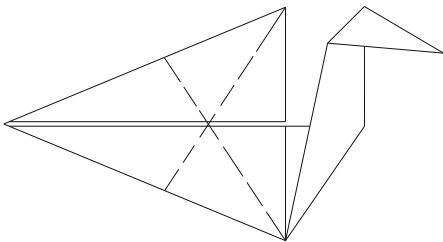

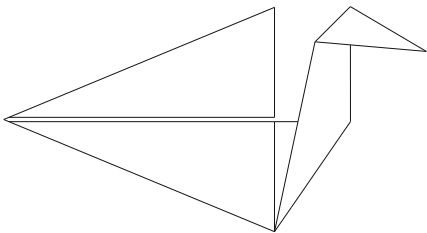

qui le punte sono mobili

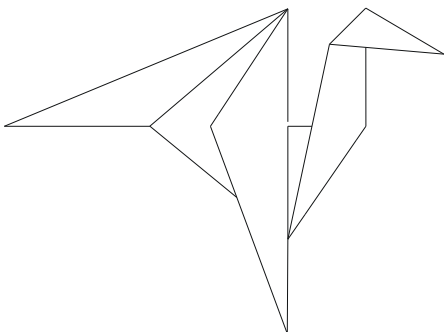

FASE 9: Piega in dentro ed avremo..

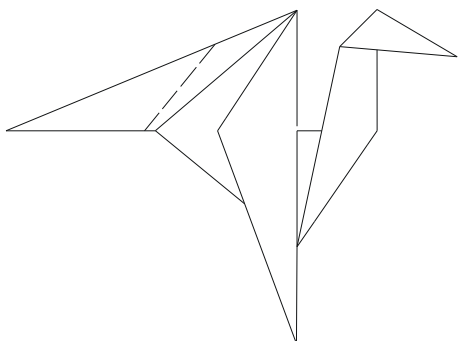

FASE 10: Piega per ottenere collo e testa ed avrai.....

FASE 11: Piega e riapri in modo da ottenere la zampa. Fai lo stesso anche dietro.

FASE 12: Ecco quello che ottieni.

FASE 13: Ora piega per ottenere la zampa posteriore ed il cammello è finito.
