Enclosed you will find the program and participation costs as well as descriptions of the prestigious theatres in which the dance evenings will be held and the Hotels where participants will be lodged.

We are certain of providing an unforgettable experience in the magic of Italy and we are at your disposal for additional general information and specific informations on the norms and modalities which guide the more technical aspects of the festival: length of pieces and their artistic features, etc...

WHY PARTICIPATE?

Our organisation, with offices in Italy and Spain, has worked to prepare the Dance Grand Prix Italy 2011 dedicated to dance in all its expressions, reserved for Schools of Dance, and Institutes. Everyone can participate in this event, our office has organised your stay with an attractive program so that, you can dance in the BELPAESE and beyond performing in various theatres, you have the opportunity to visit the splendour of the MOST FAMOUS ART CITIES IN THE WORLD.

Naturally, a theatrical adventure of this size will require some small challenges: it will be necessary to abandon our habits for several days, speak other languages, compete with the best schools and learn to manage our own images and preparation according to standards which are different from those at home.

WHAT IS THE DANCE GRAND PRIX ITALY 2011?

The event in which you will participate is the Dance Grand Prix Italy 2011, a competition that has established itself as the largest and most important amateur dancing event in Europe, divided into different categories (classical dance, modern/contemporary, dance-theatre, etc...) which awards the best groups, talents, choreographers and teachers.

All the candidates' performance time will be accurately measured, observing the following limit time: 15 minutes duration in total divided in 2/3 performances. Candidates must provide the music of their performances recorded on high-quality audio CD together with their application form. You must write on the cover of each CD, the name of the candidate, his category and the name of the piece. All CD will be checked for quality by our technician. Observation: Candidates must have 3 copies for each CD.

The Jury of the Competition will be composed by international personalities and is the only responsible for awarding. Competitors have no rights of claiming for further rewards not granted by the Jury. If you have any particular "Theatrical requirement" or would like to know the rules of the competition, please don't hesitate to e-mail us: dancegrandprix@dancegrandprix.org and dancegrandprix@tiscali.it
